## How to get to Dovedale House (DE6 2AZ)

Dovedale House lies within the Peak District National Park and five miles north-west of Ashbourne.

Once you have found your way to Ilam, you will find on the village street a coach company 'Warrington Coaches' (the village has no shop, post office or public house, but it does have a coach company!?!). The entrance to Dovedale House is opposite Warrington Coaches) and to the left of the entrance to the National Trust property Ilam Hall and Park.
